Description: Five hundred inspiring variations on the simple, functional bowl will fire any potters imagination. Displayed on each page are bowls that reinvent and reinterpret the form, and use techniques from across the globe and through the centuries. More importantly, every piece, such as Kate Maurys wheel-thrown porcelain, Stephen F. Fabricos slab-built bowl...

Review: Im a clay artist who does hand building...My teacher brought in this book to share with our pottery class. I and the rest of the class were simply blown away by the originality and brilliance of these clay artists. We spent half the class passing the book around and saying to one another how about THIS one? None of us wanted to put the book down and...
